IMPORTANT INFORMATION:

Exam Week

Exam week falls in week 16 as indicated on the Learning Management System (LMS) and consists of online exams and quizzes as well as any final assessments to be uploaded for marking.

For online subjects that have paper-based/written final exams, students will need to attend the closest Endeavour campus to sit the exam. All paper-based/written final exams will be scheduled during the week indicated on the calendar overleaf under the heading Week 16 – Exam Week. Students need to keep these two weeks clear of commitments until further notification of exact date and time of final exam is published.

After week 7, notices will be placed on the Learning Management System (LMS) under the Discussion Forum called The Loop for each subject that has a paper-based/written final exam. This notice will indicate exact day, date and time during the exam week of the final exam for the relevant online subject.

It is the student's responsibility at all times to regularly check The Loop for important final examination updates and information

External Invigilation for Online Subjects

Only those students who live more than 100km from the nearest Endeavour Campus will be eligible to arrange for an External Invigilator to oversee a paper-based/written final exam. If you live more than 100km away then you must lodge your application 1 calendar month prior to the PUBLISHED exam date/s.

Online Quizzes

All Online Quizzes need to be completed within the due date as specified within the subject outline and assessment criteria.

Deferred Final Exams for Online Subjects

If you are unable to attend the nominated exam date as indicated in The Loop then you must submit a Deferred Assessment Application form with supporting evidence, no later than three (3) working days after the PUBLISHED date of the exam/s. If students do not attend a nominated exam or do not submit a Deferred Assessment Application form this will result in an automatic fail grade for the subject. The Deferred Application form can be found on your student Portal under the "forms" tab. Students will need to contact their local Student Adviser for further information.

How To Log into the LMS

Students can access the LMS by clicking on the "Online Learning Login" on the Endeavour Home Page. Alternatively they can go directly to: <http://learn.endeavour.edu.au>

If students have not received their email yet, they can email online@endeavour.edu.au for further assistance.

If students are new to the Online Learning Management System (LMS), an email will be sent to them with their login details **the Friday before their subject starts**.

How To Change Password in LMS

Students can request a change in password, which is located in their student profile within the LMS.

How To Update Personal Details

Students can update their personal profile within the Student Portal. This can be done by clicking on the Profile Tab.
