SECTION 2 – ACADEMIC DETAILS

Subject Rationale
Students learn to spell, read, communicate, and write (in pinyin) commonly used Chinese medicine terms, acupuncture point names and Chinese herbal names. The purpose is to understand the deeper meaning of these terms from a Chinese language perspective. Basic knowledge of the Chinese pinyin system and stroke orders are introduced to facilitate student pronunciation and writing. Students will also learn the method of using a Chinese-English dictionary.

Learning Outcomes
1. Demonstrate the use of the pinyin system of romanisation in writing and spelling commonly used Chinese medicine terms, acupuncture point names and Chinese herbal names.
2. Demonstrate the reading and communication of basic Chinese medicine characters/words.
3. Demonstrate the ability to recognise, write and understand the meaning of commonly used Chinese medicine terms, acupuncture names and Chinese herbal names.
4. Demonstrate the ability to use a Chinese-English dictionary to find basic Chinese medicine terms, acupuncture point names and Chinese herbal names.
